Stewed Tomatoes (sides)

Serves 8-10

Ingredients

56 oz. whole petite diced tomatoes
2 T. sugar (or to tastes)
8 slices of bread, toasted, cut into bite-sized pieces
Salt/pepper to taste

Instructions

1.In a large pot over a medium heat, add in tomatoes, sugar, salt and pepper. Stir and break up tomatoes into smaller pieces.

2.Add in toasted bread pieces. Stir to combine until juices are absorbed and the tomatoes are thickened.

Serve warm as a side dish.

***Chef Tip:**
This dish is best made the day before and reheated.

Any type of yeast bread can be use. Can also use corn bread or stone-ground grits for a more southern experience.
